

After 23 Years

DOG OFFICER RESIGNS

The Town of Wilmington is without a dog officer - one week after the Leash Law went into effect.

Leo LeBlanc of 8 Wedgewood Avenue has submitted his resignation as Dog Officer, to the Town Clerk.

Mr LeBlanc, who was Dog Officer of Wilmington for 23 years was a consistent opponent of the Dog Leash Law. He told friends that there wasn't enough money in the job for that kind of work.

Some statisticians have figured out that, on a basis of a 24 hour day, Mr LeBlanc would be receiving 9 cents an hour. It was reported that he expected to be getting calls, at all hours of the day, as a result of the Leash Law.

Town Manager Sterling Morris is unavailable for comment because of illness, so it is not known what steps will be taken to replace Mr. LeBlanc.

LEBLANC AND FRIEND

Only One 'Unofficial'

39 Articles for Town Meeting

Only one article, of the 39 articles in the Warrant for the annual town meeting of March 9th has been submitted by persons not in an official capacity in the Town of Wilmington.

Cosmo Caterino, of the Wilmington Development Co., Inc. has submitted an article asking to rezone land along the Boston & Maine RR and adjacent properties, between Middlesex Avenue and Concord St.

The article is not new to the voters of Wilmington. Similar articles have appeared on warrants for previous town meetings.

But the article is larger in scope than hertofore. It now includes land belonging to the Reitchel family of Mystic Avenue. Mr. Caterino seeks to rezone all the land described in the article to Industrial Zone.

His is the last article in the warrant, as it is presently being printed.

Many of the articles are the customary ones, that appear each year.

Articles that are other than customary include: One to raise money to pay for having a complete job description, pay plan, and job evaluation plan for the employees of the town.

Another article asks for money to establish a Mutual Aid Base Radio system (probably Fire De-

partment, although it does not so state) with other towns.

There is an article asking for money to construct the proposed Shawsheen Avenue School.

Another article, submitted by the Planning Board, asks to amend the vote of a year ago in the sale of tax land to abutting owners, so as to restrict the sale to abutting owners on the same side of the street. The Planning Board has also asked to raise a sum of money for the purpose of purchasing land east of Hathaway Acres, for recreational use.

The Board of Water Commissioners are asking for a Water Main, to be laid on Sudbury Ave.

The Building Inspector has five articles, all asking to amend the Building By-Laws. One of these asks that the Advisory Board of Review, established several years ago, be eliminated. The board has never had a meeting.

Chief of Police Paul J Lynch is asking for \$15,000 to make an addition to the Police Station.

The Selectmen are asking the town to amend the Town By-Laws with an anti-loitering law, which will not deny the rights of peaceful picketing.

The principal assessor is requesting that the town accept Section 8A of Chapter 184 of the Gen-

Hardly Any Races

There are but eleven candidates who have filed with the Board of Registrars, for the March Election - eleven candidates for six political offices.

Only in the Board of Selectmen and the School Committee is there any semblance of a contest.

Mrs Wavie Drew and Paul Niles are candidates for re-election to the Board of Selectmen.

Their challengers are Atty Jim Banda of Marie Drive and Charles Greene of Shady Lane Drive.

In the School Committee none of the incumbents have filed for re-election. Two places are open. Filing for the two places are three candidates, John Brooks, 300 Salem Street; Walter J. McNamara of 8 Kenwood Drive and Mrs Mildred N Wolff of 584 Woburn Street.

Unopposed are: Moderator Simon Cutter; Ernest Crisp for the Housing Authority, Richard Keane for the Shawsheen Valley Regional/Technical School, and Robert F. Leahy for the Wilmington Redevelopment Authority.

All nomination papers are now being checked by the Board of Registrars. The candidates are required to file again, on Saturday with the Town clerk.

NEW OFFICERS OF THE CHAMBER OF COMMERCE: Joe Maffeo of the Middlesex County Bank, the new president, is flanked by Vice President Fred Jackson, of the Jackson Brothers, and Treasurer Bennett Bedell, of Bedell Brothers.

Red Cross Blood Drive Monday in K of C Hall

The American Red Cross Blood Mobile will be at the Wilmington Knights of Columbus Hall, School Street Extension, Monday, between the hours of 1 and 6:45 pm.

Because of the war in Vietnam, and for other reasons, blood has been in short supply in recent months. It is urgently needed by the Red Cross.

All blood donated will be credited to the organization named by the donor.

General Chairman of the drive

is Phil Ryan 658-2705. Mr. Ryan says that although the Blood Mobil will be at the K of C Hall, the drive is for all people of good will in Wilmington, and that all are welcome.

Mr Ryan reports that the list of donors in Wilmington has been very low, in recent visits of the Blood Mobil, and hopes that there will be a better response this time. The Blood Mobil will be in Wilmington just for the one afternoon, 1 pm to 6:45 pm.

Valentine

Fashion Show

Cadette Girl Scout Troop 354 is planning a Queen's Way Fashion Show, on Valentine's Day, at the Congregational Church. The project is designed to assist the girls towards a trip to Washington D.C.

It is to be a big project, and the girls will be working on their Hostess, and Good Grooming merit badges. Further information may be had by calling 658-3718, 658-4279.

JERRY ROONEY: Is telling of his world travels. He spoke to some of the youngsters on a Saturday morning, just before Christmas, in the Wobur Street School, and for the last two Wednesdays has been showing his slides of Australia and Japan to the Rotary Club, from which he received a scholarship, some years ago.

The slides are wonderful, and Jerry is a fine raconteur. With him, after yesterday's meeting of the club, are (from left) Town Engineer Arthur Harding; Von Taylor, Junior Rotarian; and Bryant Bedell of the Bedell Brothers Insurance Agency.

TOWN OF WILMINGTON FINANCE COMMITTEE Notice of Public Hearing

Adopts New Webber Amendment

Planning Board

The Planning Board, Tuesday night, revised its proposals for amending the Zoning By Law, relative to uses in the various zones, by adopting as a part of its proposal the ideas proposed by Stanley Webber, back in 1955, at the time of the last major rezoning in Wilmington.

Mr. Webber introduced what the Town Crier dubbed the 'Webber Amendment' for the purpose of protecting owners of land then of legal size from losing their rights to use that land.

The Planning Board adopted the words of Mr. Webber, substituting the word 'building' for 'dwelling' for the purpose of protecting the owners of business and industrial lots from losing their present rights.

Mrs. Madelyn McKie, who wrote the original proposals for the articles now in the warrant for the annual Town Meeting told the other members of the board that she had had to arrive at figures suddenly, because of the early closing of the

warrant, and that the figures she proposed for the revision of the zoning by law could be revised. This was her thinking at the time, she said, and was yet.

The adoption of the re-worded 'Webber Amendment' by the board was unanimous. Three members were present, Chairman Gillis, Mrs. McKie, and William Stickney.

Alderwood Estates

The Chairman, Danny Gillis, had prepared a series of subjects to be discussed by the Planning Board prior to any decision on the present proposal for extending Kenwood Avenue to West Street. There were seven items in his list: 1. Selectmen; 2. Hatch Act; 3. Conservation Commission; 4. Board of Health; 5. Building Inspector; 6. Removal of dirt from subdivision; and 7. Digging of stream from RR to Ipswich River.

Gillis and the other members of the board had a note from the Board of Selectmen, asking that the decision be postponed until the

results of the Land Use Study were known. It amused them, especially Gillis.

Gillis reminded them that the proposed extension was a part of the plan submitted on December 7, 1963, and that they could not make this kind of decision retroactively.

Dirt was removed, he said, after the Dec. 7th date. He wanted to know if the same thing would happen again and: How can we prevent it? 'It was taken out of our hands!'

The decision which the board must make, Gillis said, under the Sub-Division Control Law, must be within sixty days, and not after a study that will not be completed after 18 months. The developer had asked for an extension, and it now seemed that the decision must be made before March 14th.

The Planning Board, he said, 'Must say Yes, or No, and it must give detailed reasons'.

He wondered if he could get the Selectmen to say that they would not issue permits for the removal of soil. Mrs. McKie thought that such a proposal was valueless, because the Board of Selectmen changes yearly, and Mr. Stickney said that the people in a 'corporate body' should not have to abide by previous thinking or decisions.

'Anyway' said Gillis 'We can't wait for a year and a half - we'd have the Home Builders Association taking us into court!'

Gillis said that there must be a 'Hatch Act' hearing, and he understood that it had been planned but that something had happened.

From the Conservation Commission, Gillis said, 'we must have an answer'.

He hoped that the Board of Health would put in writing their thoughts on septic tanks for the area. He hoped too, that the Building Inspector would find a way to require higher elevations on cellars.

Then there was the question of a ditch or other excavation for the brook, leading from the railroad to the Ipswich River, and Who Was Going To Pay For It?

The Board agreed to write letters to the Board of Health, the Conservation Commission and the Building Inspector, proposing a joint meeting to discuss the extension of Kenwood Ave.

50 Foot Lots

Gillis told the board that he had been studying the town maps, and that there were 233 homes on lots of land fifty feet wide, in Wilmington, with 350 lots still to go. He was not, he said, including any lots other than the fifty foot wide one.

All of these lots, he believed, could be built on eventually, under the 1958 Act of the State Legislature.

The work is preliminary to his appearance before the Legislature, asking that the law proposed by himself and Miceli be passed. Gillis discussed at length the possibilities, and noted that Mr. Miceli was still the Chairman of Region 5A of the Mass Federation of Planning Boards.

Mr. Miceli, he said, was going to call a meeting of the boards in Region 5A to discuss the proposed law.

As for himself 'I am going to do everything in my power to stop this fifty foot lot business in Wilmington!'

Mrs. McKie labeled it a 'Test Case for the State' saying that there were other towns in the state which were plagued by the same problems.

Stickney spoke up to say it was his observation that no one was upholding Planning and Zoning in the state. He spoke at some length on how the Massachusetts Federation of Finance Committees does its work, and the work of its Executive Director.

Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, or after five, 658-4865. If I'm not there, I'll call you.

Hi there, folks:

I am out of town this week, and will miss your friendly calls. Will be back by the time the paper comes out, so if you have tried to get me, unsuccessfully, just give with a dial from Thursday pm on.

Understand there were repercussions from the story about the well organized English teacher at the West Intermediate School last week. My intentions were nothing but the best - and the fact is I wish all teachers were organized that way!

The American Legion Blitz, every Wednesday evening at their headquarters on Middlesex Ave. The proceeds from this go to defray the expenses the men have in the remodeling of the building. President Jean Shaughnessey has asked me to jog all the members and others, to come down and play and help them out (This could help to break up the week, folks!)

Don Campbell has been in to tell me that the 1962 Reunion for WHS will be held at the K or C Hall on March 9th. All of the class members have their invitations in the mail, but there are still some 'missing' members, - so, please, answer your questionnaires on the back, and return immediately.

You folks are being just great with your contributions to the project SANCTUARY.

The Depot is just beginning to bulge, with your goodness. Books and toys, all over the place - and darnit - the Christmas Gremlin got away again!

I was chatting on the phone, thaning some one for the stuff they had left, and a gal, with slacks - boots and glasses, came in and left a bag on the desk, and grinned at me. I nodded a thank you, but then somehow or other didn't pick it right up.

When I did - Lo & Behold! There it was - stapled in 'Gremlin' style! It was full of small stuffed animals and there was a note 'For the Children's Ward of the Naval Hospital Ship Sanctuary'. It was signed 'Gremlin'.

Well, Gremlin, I just can't say enough Thanks. I know the kids will love them. They are even washable - stuffed with either foam rubber or nylon. A real gift of Love. Lions with Manes, Kangaroos with Babies, Lambs, etc. Really ADORABLE.

Incidentally, I am expecting another batch of books soon from Mrs. George Arsenault, on Taplin Ave. She tells me that her boy, on the USS Wood County, gets home every now and then, and is saving up a bunch of paper backs. One of these days she will bring in about 30 of them - from the USS Wood County to the USS Sanctuary - that will be pretty good!

To you Service Boys. I need some notes about who that lad is at Fort Bliss. I know he must have one parent or the other working for the town and yet I mustn't ask any town employee who he is. Let me hear your guesses - he should be home next month. - Also, I need your card for the bulletin board. Since the Christmas Cards have been taken down there are now only a couple of post cards, and they look real lonesome.

And, to you gals in town! Did you get those Valentines off to the lads at their new addresses, published last week? I hope to hear that they were flooded with mail! They loved so getting all those Christmas Cards!

We hope to be able to say that the Postman will be leaving for the Hospital Ship Sanctuary on Feb. 15th. Drop in those books, toys, games, etc to the Depot, for me.

Did you see the story in the Boston Globe Sunday, about the new Gordon Center, for Boston University Nursing?

It's named for the family of Maurice Gordon, prominent Boston realtor, who donated more than \$500,000 toward the structure.

Maurice, way back, is a boy from Wilmington. He and his folks lived on Fairview Avenue, I am told, way back after World War I, and he was one of those who attended the party for Miss Laura Marland, before she retired as an English Teacher in Wilmington High School.

One of the things that is still remembered about Maurice, when he was in the Wilmington schools, was how well he could play the violin.

The Gordon Building is to be dedicated on March 1st.

I have had a note from a friend who tells me that more than 80 youngsters from Wilmington were among the more than 50,000 infants and children who received medical care, at The Children's Hospital Medical Center in Boston, in the year ending last Sept. 30th.

For the people of Wilmington, let me express my thanks!

How's the ice fishing! Not interested, gals? Well, Rusty Brabant, retired Taxi Driver, went up to Dracut the other day and came back home with 30 fish! - Bass, pickerel, white perch, etc. I don't think I'd enjoy it, but obviously he did.

Mrs Barbara Hooper is going to be one of the hostesses, and a score keeper, next Tuesday, on Channel 5, at a 10:30 pm show.

She is taking part in a League of Women Voters program entitled 'Let's Play Politics'. It's in a quiz format, which will cover the political parties in Massachusetts, the Massachusetts Presidential Primary, registration and voting, and other items.

The program is designed to help stress the importance of citizen participation in our political structure.

Gail Philips, the daughter of Mr and Mrs Edward Phillips of 36 Lawrence Street was one of 25 students from Bryant and Stratton to win a ski trip to Winwood Lodge, in North Conway, with all the fixings, lodging, food, skis, ski tows, etc.

The entire trip was for a three day period.

Nancy is majoring in the Medical Secretarial program at Bryant and Stratton.

Don't forget folks - my last word this week - the Blood Mobile. It will be at the K or C Hall, which is behind St. Thomas Church, and can be also reached by going up School Street ALL THE WAY.

It's very important. Blood is so important. Get up there, next Monday, and GIVE. The boys in Vietnam can do it, How about you?

V.A. Patients to be D.A.V. Guests

About forty patients from the Veterans Hospital in Bedford will be the guests of the William F. Tattersall Chapter of the Disabled American Veterans Monday evening, at a social to be held at the chapter headquarters at 60 Grove Avenue.

The patients will arrive at about 6:30 pm and leave at about 9 pm. There will be games and refreshments, to be served by the chapter's auxiliary.

The next meeting of the DAV Chapter will be on February 14th at 8 pm.

Bedell Brothers. Re-Elected to President's Club

The Bedell Brothers Insurance Agency, Inc. of 402 Main Street, an independent insurance agency, has been re-elected to membership in the Kemper Insurance President's Club. The club is a Hallmark of Excellence, awarded to agents who have done an outstanding job for their policyholders, and made a substantial contribution to the growth of the Kemper Organization.

The firm was notified of the distinction by B. C. Dahmann, Executive Vice President of the principal companies in the Kemper group.

In his letter Mr Dahmann said: The Insurance Agent today must be not only technically proficient, but also sensitive to changes in our business which affect his policy holder's long-range interests. You can be justifiably proud of the job you are doing in serving your policy holders.

The Bedell Brothers Insurance Agency is Wilmington largest and oldest agency, serving the community since 1923.

Selectmen's Meeting

The way to describe the Selectmen's meeting of Monday night is to say that Chairman Jim Miceli was 'out to beat the record of the Robert E Leel' - and he did.

The entire meeting took exactly 28 minutes to conduct.

Selectman Niles was absent because of illness, as was the Town Manager.

Miceli wanted to move over the first item in the agenda, a gas station at 160 Lowell Street because Niles was absent, but Selectman Black thought that Bob Connors, the proposer of the station (who was present) was entitled to a vote.

After a moment of delay Selectman Boylen moved that the station license be not granted. Miceli took a rapid count, and announced that there were four negative votes, with one (Black) abstaining.

Miceli told the board that Bob Gamelin of Reading Avenue was being asked \$2000 for two lots of tax title land 'with restrictions'. Black said it was not fair to put restrictions on any lots, and further observed that it costs \$500 to \$1000 to 'Land Court' the land.

Boylen observed that the by-law as voted by the town did not allow for competitive bidding - and that there was no restrictions where the lots were sold in open bidding.

The board voted to go ahead with the sale of the land to Gamelin.

Alderwood Estates

Alderwood Estates was on the agenda - a note from the Planning Board.

Miceli wanted to be recorded as opposed to any extension 'due to the fact that existing drainage problems have not been taken care of.'

Boylen moved that the Planning Board be asked to withhold judgement until after the Land Study (just now starting) had been completed, and Mrs Drew said she was opposed to an extension of Kenwood Avenue.

Miceli reported that he had had a call, relative to the Hatch Act hearing for the place and it seemed that application had been made to the wrong board.

Mr Casey of the Telephone Company was present for a hearing for relocation of poles on Concord St. New heavy mains are being installed, for the coming office and plant of Volkswagen. There had been one complaint that a pole had already been installed, prior to the hearing.

Casey allowed that someone had been too much in a hurry. The Selectmen agreed, the permission was granted, and everyone was happy.

New Business

Mrs Drew noted that the Town Engineer's recommendations relative to the removal of earth products be made in accordance with the provisions of October 1, 1957. She noted that 'top dollars' are now being paid, for 'burrow' (fill) as a result of the extension of Route 93, into Boston.

Anton's

TAXI

24 Hour Service
7 Days

658 - 2543

Speaking of a pending case in a gravel operation, Boylen hoped that the Board of Appeals would hold its opinion until after a court case has been called 'so the case won't be prejudiced'.

Miceli said there was a problem about dogs - reports of them running freely. I would say call the Police Department - it is a Dog Officer problem.

He said, going on rapidly, that the town Manager wanted to bring the Selectmen up to date on the budget - that the Finance Committee was proposing a 'lump sum' setup - apparently with something to do with wages and salaries.

Further, he reported, the contractual services item in the Selectmen's budget was being cut, and that the travel allowance was now \$500.

No direct mention was made of the fact that Fred Jaeschke, Supt. of Public Buildings, had submitted a resignation, but Miceli told the Selectmen that the TM was going to seek an \$800 increase in pay for Mr. Jaeschke, to persuade him to change his mind.

Boylen: If the Finance Committee is as sharp on others as it is on us we could look for a reduction in taxes. The Board of Selectmen should go along with the Finance Committee.

Miceli said the Finance Committee is now proposing that all travel allowances, including that of the Town Manager be in one budget, and that the town employees would have to submit travel bills, for the use of their cars. It would 'go for all Departments' he said 'have to submit bills to the Town Manager'.

Boylen: 5 or 6 years ago one Department Head wanted 10 cents a mile. He was doing 30,000 miles a year - say \$3,000.

Miceli made a rapid check of the agenda.

Boylen: I don't think the Board of Selectmen should advertise the warrant for the Annual Town Meeting - it's redundant because the Finance Committee will be sending out their recommendations to every home owner.

The other members agreed, almost silently, with Boylen.

There was a very brief discussion of the fact that the Chief of Police was asking for \$15,000 to enlarge the police station. Mrs. Drew said she had heard it was because there was no place 'up there' to hold a meeting.

The meeting was over at 8:28.

CHANNEL TWO WORKSHOP WITHOUT WALLS

The new four program series on Channel 2, WORKSHOP WITHOUT WALLS, will start on Thursday, January 25, at 8:30 p.m. and may well be one of the most probing ever aired on educational problems.

This first 90-minute program in the series, for instance, will have the spotlight on parental expectation, guidance counselors, college boards, college interviews, the 'general course' and college admission policies. This will bring important thing to your mind.

Please say them, on the air, by phoning (collect if it's a toll call) 491-5600 after you've watched the first part of the program. Also, please encourage the entire community to participate.

This is under the sponsorship of the New England School Development Council and the Council for Public Schools.

Market Forge of Everett Locates on Woburn Street

Leo M. Beckwith, President of Market Forge Co. of Everett has announced that his company has purchased 24 acres of land off Woburn Street in Wilmington, for the purposes of expansion. The site, opposite the MacBick building, is now being graded and building plans are in process.

The Wilmington site is a part of the Northern Industrial Park on Route 93, and is 2 1/2 miles from the intersection of Rtes 93 and 128.

The various Market Forge Co. divisions manufacture major Hospital, Cooking and Storage equipment; as well as consumer products for the automotive and sporting goods markets. Moving to Wilmington will be the manufacturing facilities of the Hospital Division. A 90,000 sq ft single story building is planned, to be completed this year.

Market Forge was founded in 1897 by Louis I Beckwith, Leo Beckwith's father. With a background in the iron shops of Boston, he started Market Forge to serve the needs of the city's market district. The company's early product line included running board luggage racks for cars, autopsy tables for hospitals, and materials handling equipment.

Market Forge moved to Chelsea in 1909 and in 1916 ground was broken for the Everett plant. Today the Everett complex includes seven

buildings with 300,000 sq ft, and employs over 500 persons.

The purchase of land in Wilmington is a part of the steady

growth of the company and is a part of its planning to prepare in advance for ever increasing expansion of its products and markets.

SECOND ANTIQUE SHOW WILL BE SPONSORED BY THE WILMINGTON WOMEN'S CLUB

The Wilmington Women's Club is sponsoring their second Antique Show and Sale, which is planned to surpass the interest shown in their first.

It is to be held at the Congregational Church on Wednesday, April 24 from 11 am to 9 pm, and again next day from 11 am to 6 pm. A number of well known dealers are to feature a variety of antiques such as: furniture, primitives, brass, copper, glass and china, and other interesting collectibles.

A snack bar and pastry table will be open during the show hours. The proceeds from the show will go to the Women's Club Scholarship Fund.

Open to the public, a 75 cents admission is to be charged.

WOMEN'S SLIMNASTICS CLASS AT YMCA

The North Suburban YMCA is happy to announce the continuation of its Womens Slimnastics Course. The enthusiasm of past members of the class has encouraged the formation of the second series to begin on Thursday, February 1. The course will again be taught by Mrs Norma J Hopkins. Norma received her training at Bouve College and has taught physical education at Melrose High School and the Melrose YMCA for the past several years as well as the Slimnastics Course at the North Suburban Y this fall.

This series of classes will begin on Thursday, Feb 1, 1968, and will continue for ten weeks, twice each week on Mondays and Thursdays from 9:30 am to 11:00 am. Norma demonstrates and instructs the course which is designed to suit the needs of those participating. The class follows the Progressive Exercise Routine which was so popular in the last series. Exercise periods are usually followed by games and recreation.

A baby sitter will keep watch over little ones for a nominal charge. Classes will not be held during school vacations or when school is cancelled. Thus mothers of young children will be able to take advantage of this opportunity to stay in good physical conditions. To enroll or for further information, please call the program office of the North Suburban YMCA 553 Main St., Woburn, Mass 935-3270.

LESLIE PINTO IS ENGAGED

PLANNING BOARD

(From Pg. 2)

701 Projects

Mrs. McKie reported that there had been an overall change in the approach to 701 Projects, (Federal Funds for Planning) and that effective January 1, 1968, the work on applications and other phases had to be done by local persons, and not by people from out of town. 'We just got under the wire!'

Town Engineer Reports

Town Engineer Arthur Harding had the first Diazo copies of the new aerial photographs of the town, which were examined at length by the members. Everything showed up clearly - they were able to count swimming pools, and see people standing or walking.

The total cost is \$3265, the Engineer said. He has photographs of the town on a 1 to 100 scale and on a 1 to 500 scale. He is going to prepare a set of prints for the Planning Board, for the Board of Assessors, and for himself.

Harding believed that a lot of people would be wanting copies. No price had been established yet, he said. He and the Town Manager had been tentatively talking about a charge of \$10 for a copy.

Harding observed that if the prints had been made before the study for the Official Map a lot of work would have been saved.

Harding reported that, relative to three lots of land on Martens Road, the subject of some controversy, he had found that they had been as described, back in 1923, - two fifty foot lots, and one lot of 125 feet, and all in separate ownership.

He has been looking at the trees on the Alderwood Estates, and at least five should be replaced. He has not finished the work yet.

Harding recommended the re-

THE SIZE OF THE NEW SMITHCRAFT PLANT: Now being built on Industrial Way, in the Route 93 Industrial Park, might possibly be judged by the reader from this photograph.

On display, in the meeting of the Planning Board Tuesday night, is one of the 'negatives' of the aerial survey of Wilmington taken on December 5th.

Just above Mrs. McKie's thumb is a square shadow. That is the Ling Electronics plant, visible from Route 93.

The much larger square, at the left edge of the negative, is the Smithcraft plant, under construction.

Mrs. Ann Simmons, clerk of the board, is the young lady.

lease of an \$11,000 bank book to the DiCenso Brothers, for their work on Industrial Way, in South Wilmington.

The vote was unanimous.

At Wicks Circle, Harding said, the construction work for the street etc was complete, except at the approach to the Cul-de-Sac, and

some minor items. He recommended that the present \$3900 bank book deposited by the developer be given back in exchange for one of \$900. This was voted. Harding told the board that at Wicks Circle all the telephone wires were underground, but not the electric power lines.

The Lost Generation, a group of Wilmington teen-agers, won the third place honors in the Burlington JayCees Battle of the Bands, held on January 27th at the Burlington High School.

Adding to the excitement of the evening, Miss Linda Chase, organist-vocalist, of Marcus Road was awarded a plaque as Best Individual Performer. Miss Chase is the vocalist for the third place winners.

The Lost Generation consists of Bob Arzilli, rhythm guitar; Miss

Chase; Bob Drugan, drummer; Harry Landers, bass; and Twig McKie, lead guitar.

A record crowd witnessed the contest, with close to one thousand persons present to listen, and to dance to the music of the participants. The ten groups participating came from Lexington, Woburn, Medford, Winchester, Wilmington and Burlington.

Top honors went to The Odds and Ends, and second place to The Cranberry Flush.

AT NEW ENGLAND PRESS MEETING: Miss Mary Deslongchamps of 6 Sheridan Road, a third year student at Northeastern University, served at the Registration Desk of the annual meeting of the New England Press Association, in the Hotel Sheraton Boston, last weekend. Tandy Lee Giddings, and David
Francis Sonier, son of Mrs Mary
Alice Baxter of 132 Glen Road
have enlisted in the U.S. Navy for
four years, and are undergoing
recruit training at the U.S. Naval
Training Center, Great Lakes, Ill.
Both enlisted through the Lowell
Recruiting office. At the training

center they will undergo training
in physical fitness, basic shipboard
orientation, gunnery, fire fighting,
military law, military drill, and
many other subjects.

The Lowell Recruiting office,
Chiefs Mahoney or How, invites
young men to stop in to the of-
fice in the Post Office Building,
or call 452-0511 for appointment
about the many opportunities in the
US Navy

FORMER SERVICEMEN BENEFIT BY ENLISTMENT

The benefits soldiers receive
are always increasing, according
to SSG Charles D Skipper, the Army
recruiter in Lowell.

That's why he's urging all
former enlisted men to investi-
gate the opportunities open to them
if they return to uniform.

He also is reminding men who
have left the service recently that
they have three months from their
discharge in which to re-enlist and
receive a re-enlistment bonus of up
to six months' pay.

'Nowhere in civilian life can you
find fringe benefits comparable
to those offered by the Army,'
the sergeant tells former service
men. 'In the Army you get free
medical and dental care as well
as legal counsel, you have excel-
lent recreational facilities at your
fingertips and you earn 30 days'
paid vacation each year in addition
to passes. And, if you stay in
the Army until retirement, you'll
be qualified for excellent civilian
jobs, you'll have veterans'
preference in competing for and
retaining positions with the Federal
Government, and you'll still receive
retirement pay,' he continues.

Sergeant Skipper urges former
servicemen to visit him at the
Recruiting station, 34 Bridge St
Lowell or call him at 459-9300.
He will be glad to answer all
questions.

TOWN OF WILMINGTON

PLANNING BOARD
PUBLIC HEARING

The Wilmington Planning Board will hold a Public Hearing in Wilmington High School at 8 pm on Feb. 20, 1968, relative to the two articles appearing below, on the Warrant for the Annual Town Meeting.

ARTICLE: To see if the Town will vote to amend the Zoning By-Law by deleting in its entirety SECTION V-1. Schedule of Requirements and by substituting in its place the following Schedule V-1 as shown below; and to amend SECTION V-3A. by deleting the word 'dwelling' wherever it appears in this SECTION V-3 and substituting in its place the word 'building'; or do anything else in relation thereto.

Request of the Planning Board. (For the convenience of the voters, regulations presently in effect are inserted in parenthesis but are not included in the Article as it appears on the Warrant.)

V-1. SCHEDULE OF REQUIREMENTS. In any District, no use of premises shall be authorized or extended, and no building or structure shall be erected, enlarged, or moved which is not in accord with the following schedule, except as herein specified.

ROSE CICCUI IS ENGAGED

Mrs Roetta Cicciu, 1 Magazine Street, has announced the engagement of her daughter, Rosetta Jean, to Ralph Joseph McCauley, son of Mr and Mrs Edward McCauley of Watertown.

Miss Cicciu is a 1966 graduate of Wilmington High School and is employed by the Houghton Mifflin Company, publishers, in Burlington.

Mr McCauley is an employee of Riverside Press, in Cambridge. A July wedding is planned.

Ashram Planned at Congregational Church

A One-Day Ashram is to be held at the Congregational Church on February 10th from 9 am to 3:30pm

The Ashram is one of many group movements which have arisen in modern times as the result of a desire to put back into the Christian Church the kolonia, or the fellowship, which is mentioned in the Acts of the Apostles.

Dr E Stanley Jones, well known and loved missionary, author and evangelist, during his more than fifty years of service in India, ob-

served the Indian Ashrams. Seeing much of value in the movement he developed a Christian approach and has been instrumental in bringing it to this country, and to the world.

The word comes from the Sanskrit, and means 'a retreat'. Under the leadership of a dedicated faculty, church people from many denominations meet together for a disciplined corporate quest for deeper spiritual growth, which will make God more real in daily living. Last summer more than twenty week-long Ashrams were held in various parts of the country. The New England Christian Ashram is to be held this year for one week at Lake Winnepesaukee, NH for one week beginning June 22nd.

The One-Day Ashram brings, as far as possible, the whole Ashram emphasis into a few hours.

The program in the Congregational Church is to be under the general supervision of Mrs George England of Weymouth, and Mrs Roy Robinson of Marshfield. The Rev. Willis Miller, past or the Wilmington Methodist Church, is to lead the Bible Hour, and the Rev. Lionel A Whiston, pastor of the Wrentham Congregational Church will bring the evangelical message.

Prayer groups are an important part of the Ashram, and small numbers of people will meet in this way. There is to be periods of sharing, when those who wish may

express their wants and needs; and at the close, state what help they have received.

Each one attending will take his own bag lunch. Tea, coffee or milk will be provided. Reservations are not necessary. There is a registration fee of \$1.

PATRICIA SABEAN ENGAGED TO WILMINGTON MAN

Mr and Mrs Stuart A Sabean of 22 School Street, Augusta Maine have announced the engagement of their daughter, Miss Patricia A Sabean to Robert B Bergenheim, son of Mrs Catherine Bergenheim of 73 Forrest Street Wilmington and Mr Harold Bergenheim of Corpus Christi, Texas.

Miss Sabean is a graduate of Cony High School, Class of 1965, and of the Katharine Gibbs School in Boston. She is employed by the Francis J Linehan Jr. and Associates firm of Boston.

Mr Bergenheim is a graduate of W B Ray High School of Corpus Christi Texas, Class of 1961. He has served four years in the US Air Force, one year in Vietnam, and is employed at the Polaroid Corporation in Cambridge.

A spring wedding is planned.
